

Your car repairs do not have to break your budget

Protect yourself from unexpected and expensive repairs with an affordable Civic auto warranty.¹

The Civic auto warranty from Route 66 helps you stay ahead of the chaos that high-cost auto repairs can bring into your life. The warranty covers expensive, major systems repairs and can be added to your auto loan process or added later. Plus, your existing vehicle may qualify for the auto warranty program.

Get affordable coverage for major vehicle repairs with some additional benefits.

Mechanical repairs:

- Repair of major systems includes engine, electrical, cooling, and more
- Covers specific non-maintenance repairs
- Repair coverage varies by vehicle age, mileage and chosen plan (Factory, Deluxe, or Drivetrain)

Added benefits:

- Nationwide repair access
- Rental car reimbursement
- Roadside assistance
- Warranty can transfer to your car's future owner
- No deductible

Car repairs can be expensive. But your repair costs do not have to be. Protect your new or existing vehicle now.

¹ The extended auto warranty is offered and administered by Auto Services Company, Inc. (dba Route 66), which is a separate entity from Civic Federal Credit Union and its affiliates. The extended auto warranty is not an insurance product and is subject to approval. Vehicle must be in sound mechanical condition at the time of warranty purchase. The Service Agreement governs the extended auto warranty services and contains all terms and conditions of the extended auto warranty. The Service Agreement will be provided with the quote. The purchase of this auto warranty is voluntary and is not required as a condition of loan approval. A one-time enrollment fee will apply and is dependent upon the year, model, and mileage of each vehicle. The auto warranty services are (1) not federally insured, (2) not obligations of the credit union, and (3) not guaranteed by the credit union or any affiliated entity.
